

Transportation Times – Updated (March 1, 2023)

Service: Canada Post Neighbourhood Mail™

Origin (Office of Deposits): Moncton, NB

680 Malenfant Blvd., Moncton, NB, E1A 1A2

How to Calculate the Deposit Date for your Items:

The grid below identifies the transportation time between locations. However, to each transportation time, you must add an extra day to account for mail preparation time once it arrives at the Letter Carrier depot. This total (transportation time plus mail preparation time) will be your total time between the Deposit Date and Delivery Start Date.

For example, if you are submitting a mailing at the Moncton RVU for delivery in Charlottetown (C1A postal code), the transportation time is three days. Add one day for mail preparation at the Canada Post depot and you have four days between the Deposit Date and Delivery Start Date. Therefore, if you want the delivery to start on Friday, February 24, the mail will have to be deposited on Monday, February 20, four days earlier.
